Notes/Comments:

Notes/Comments:

Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement as the completion of coursework may change the plan. It should not be used in the place of regular academic advising. Students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change. Students wishing to receive Illinois teacher certification should contact Paul Fix (pfix@niu.edu).
